JOHNSON COUNTY HERITAGE CENTER  
SMITHFIELD, N.C.

Paulette,  
Is a girl whom  
I wish all the  
happiness in the world  
I have enjoyed knowing you  
all these years and I hope I  
know you many many more.  
Take care of yourself and be  
good and sweet always and forever. May  
God bless you and may he bless and keep  
you always and forever.  
The Most of Love from a very dear  
friend. Good Luck.

## Foreword

Education is like a wide and heavily traveled road, and everyone who travels upon it is trying to reach his goal. The years after graduation will be the most important ones in our lives. If we have set our goals carefully and have worked hard to attain them, then many of our dreams can come true.

In years to come, this book will bring back the memorable events of 1963-64 both in the classroom and in other school activities. The staff hopes to prevent those memories from fading by presenting the 1964 Corinthian. It has been our goal this year to turn out the best Corinthian yet. We hope you like it and will like it even more in 1984.

## Dedication

Our elementary faculty laid the strong and firm foundations to the successful years ahead of us. We would like to express our thanks to you for guiding us so patiently through the most trying and important years of our life. We commend you on your hard and successful work to prepare our school for accreditation in the Southern Association of Secondary Schools and Colleges. We proudly dedicate this, our 1964 Corinthian to you - our elementary faculty.

To Mrs. Terry, Mrs. Keller, and Mrs. Driver, a thank you for laying the strong and firm foundations to the successful years ahead.

In us, Mrs. Bunn and Miss Phipps, you created a burning desire to learn and strive for higher goals.

And you, Mrs. Bowers, Mrs. Wilder, and Mrs. Richardson, helped us not only to expand our realm of knowledge, but to grow emotionally straight and morally awake.

Mrs. Narron and Mr. Yawn, you prepared us for the bumpy road in high school, warning us to heed all the road signs, and "keep to the right."

**FACULTY**

## *Principal*

To a truly successful man and  
beloved principal, Mr. H. C. Bowers.

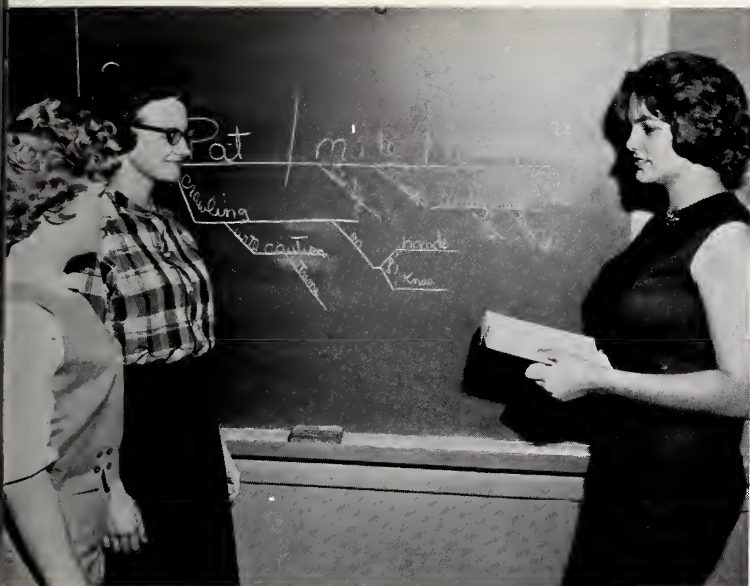

Success is measured not by wealth  
Or everlasting fame,  
Or by the winning score that's made  
In any single game.  
It isn't gathered up at will,  
Or fashioned overnight  
And can never be retained  
Without a constant fight.  
Success is slowly harvested,  
By energy and toil,  
And can only come to life,  
If there is fertile soil.  
It is a real and rich reward  
That waits from year to year,  
For him whose heart is honest,  
Whose efforts are sincere!

## *Secretary*

To Mrs. Sue Hinton, our  
secretary, we, with grateful  
hearts, say thank you for your  
diligent work and loyalty to  
the school.

English is required of all students. Literature and grammar are studied for four years, and diagramming helps one to understand sentence construction.

Science helps students to understand the world in which they live.

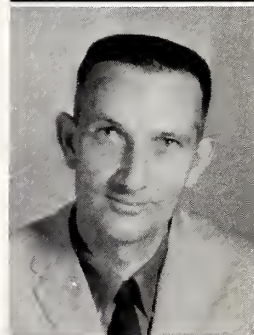

## Curriculum

The curriculum includes courses and class activities in which children engage, as well as in-class and out-of-class experiences of the learner. Recently the educational program has been expanded to benefit children of many ranges in intellectual, physical, emotional, and social maturity. A high school diploma is the first goal of every student in high school, with college or employment in business and industry to follow. At Corinth-Holders High School, we feel that our curriculum is trying to meet the needs of every student enrolled.

Mathematics help pupils adjust to many of their everyday functions more readily. They tend to be more socially and intellectually mature, more self-controlled and more appreciative of theoretical matters. They also tend to have more leadership potential.

Commerce, although a department with elective courses, is well attended. These students are busy trying to type 40 words a minute without making any errors.

With the completion of the course of physical education, which is required for high school graduation, students learn of the great importance of physical hygiene in their daily lives. They are also taught many other things that they will find helpful as they go out into life, especially those which will make them more socially efficient.

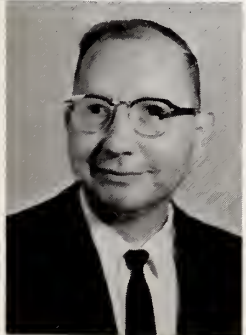

Geography teaches a pupil about the world, its people, their differences, and their habits. It gives pupils a better concept of the place where they live and the many privileges they enjoy in comparison with people in some countries.

The study of social science, be it history or modern problems, has no equal in teaching understanding and appreciation. By seeing the mistakes of the past, future ones may be avoided.

A black and white photograph of a person, likely a student, holding a massive stack of books and papers. The stack is so tall that it completely obscures the person's face and upper body. The person's hands are visible at the bottom of the stack, gripping it. The background is a plain, light-colored wall. The overall image conveys a sense of overwhelming academic workload.

# ACTIVITIES

## Co-Ho-Pa Staff

Editor Margaret Creech, Assistant Editor Charlie Boughman, Business Managers Larry Dean and Sandra Boykin, Art Editors Polly Creech and Stella Hocutt and Circulation Manager Judy Anderson start the first wheels of the publication in motion.

Typists, Faye Wall, Judy Strickland, Hilda Johnson, Nancy Gardner, Jean Richardson, and Judy Allen, have a very difficult job to do in completing the final steps of the paper.

Some members of the staff with sponsor, Mrs. Hollifield, put the paper together.

## 1963-1964 Corinthian Staff

Could this be the Editorial staff with their thinking caps on?

Together we stand - the Corinthian staff of 63-64, to bring you the best annual ever!

Here you see some of our advertising staff busily acquiring ads for our annual. We are glad to make our business acquaintances happy!

Along with fun comes education and serious thinking. Encouragement and continuous plodding is spurred on by our industrious sponsor, Mrs. Edwards.

## *Marshals*

Marshals are chosen on a scholastic basis. There are two Freshmen, two Sophomores, and five Juniors which include the chief. From left to right they are as follows: Toni Sue Hinton; Jean Johnson; Roxanne Boyette, chief; Roland Strickland; Margaret Creech; Syble Batten; and Linda Upchurch.

## Beta Club

The National Beta Club is a leadership-service organization for high school students. Membership is open to all students who meet the academic and moral requirements defined in the Constitution of the club. It is the wish of the present members that more students would strive to achieve the goal of membership in the Beta Club, for it is a coveted honor.

This year's members include Syble Batten, treasurer; Larry Dean, vice-president; Dale Davis, Sandra Narron, Charlie Boughman, president; Jean Johnson, Carole Boykin, Toni Hinton, reporter; Hilda Johnson, and Janet Boyette, secretary. Mrs. Mary Vann and Mrs. Margaret Edwards are co-sponsors.

## Future Homemakers of America

"Towards New Horizons" is the motto of the Future Homemakers of America. These girls will build homes based on truth, love, security, and faith. In the club they also learn how to follow as well as lead. This year the work of the Future Homemakers of America has been spurred on by our new advisor, Miss Elizabeth Lawrence. With love and sincerity a special thanks from the club.

The officers are as follows - BACK ROW: Zelma Batten, Recreation Leader; Kaydene Wilson, 1st Vice-President; Carole Boykin, Reporter; Roxanne Boyette, President; Margaret Creech, Recreation Leader; Carolyn Strickland, Secretary; Toni Sue Hinton, Pianist; Syble Batten, Treasurer; Hilda Sue Johnson, Historian; Sandra Narron, 2nd Vice-President; Jean Johnson, Publicity Manager; Janet Boyette, Parliamentarian.

## *Future Farmers of America*

The officers for the club are as follows: Mr. John L. Glover, Advisor; Joe Tippett, Treasurer; Jimmy Narron, Vice-President; Charlie Boughman, President; Paul Tippett, Secretary; Harris Atkinson, Reporter, and Tommy Richardson, Sentinel.

This year the F. F. A. has 46 members. Inspired by their motto, they are--"Learning to do - Doing to learn - Earning to live - Living to serve." Earlier in the year the freshmen were initiated and started working hard, while the sophomores were studying forage crops. The juniors and seniors studied farm machinery. The boys, actively interested, make it a good club. Mr. John L. Glover motivates this interest.

## *Monogram Club*

Sponsor: Rayford Fulghum; President: Dexter Wall; Vice-President: Larry Dean; Secretary: Carole Boykin; Treasurer: Janet Boyette; Reporter: Janet Price.

Before a member is eligible to join the Monogram Club, he must have earned a letter in either basketball, baseball, managing the teams, or cheerleading. This year there are 28 members.

## Piano

To be able to play the piano is an art not everyone is capable of. We are very proud to have so many good piano students.

The band members spend many joyful hours practicing their instruments, but their happiest and most rewarding hours are spent representing our school, Corinth-Holders.

Left to right, BACK ROW: Tommy Ciampia, Jimmy Dale Alford, Danny Hinton, Carlton Martin, Tommy Crocker, Mike Bailey, and Joe Corbett. Instructor: Mr. Benton. Left to right, FRONT ROW: Robert Wall, Wickie Narron, Roland Strickland, Kieth Price, Jimmer Boyette, Harriet Narron, Wesley Davis, and Harold Narron.

## Band

## *Bus Drivers*

These students must be capable of handling any situations that may arise at any time concerning their job as bus drivers. Acquiring this ability will help them as they go out in life and are challenged by larger responsibilities. They will probably find that their former experiences as bus drivers will also deepen their desire for self-improvement since they will always be an example for their fellow students.

## *Lunchroom Workers*

We want to thank our lunchroom workers for the fine job they are doing. To be able to study well we have to be fed well. Left to right: Mrs. Gladys Alford, Dietician; Mrs. Onnie Johnson, Mrs. Isker Curtis, Mrs. Clentice Strickland, and Mrs. Maybell Eatmon. Absent when picture was taken was Mrs. Mavis Davis.

## *Custodians*

Mr. and Mrs. Walter Boyette must be congratulated on the fine way they keep our school-grounds and buildings neat and clean, and our buildings heated.

ATHLETICS

## *Girls' Basketball*

Not all Pirates find gold. We like to win ours on the basketball floor!

Holding our breath for that important shot.

No bad passes, please.

## Girls' Basketball

Our coach, Mr. Fulghum, girls, and manager, Jane Barham, have worked hard to make this season a successful one.

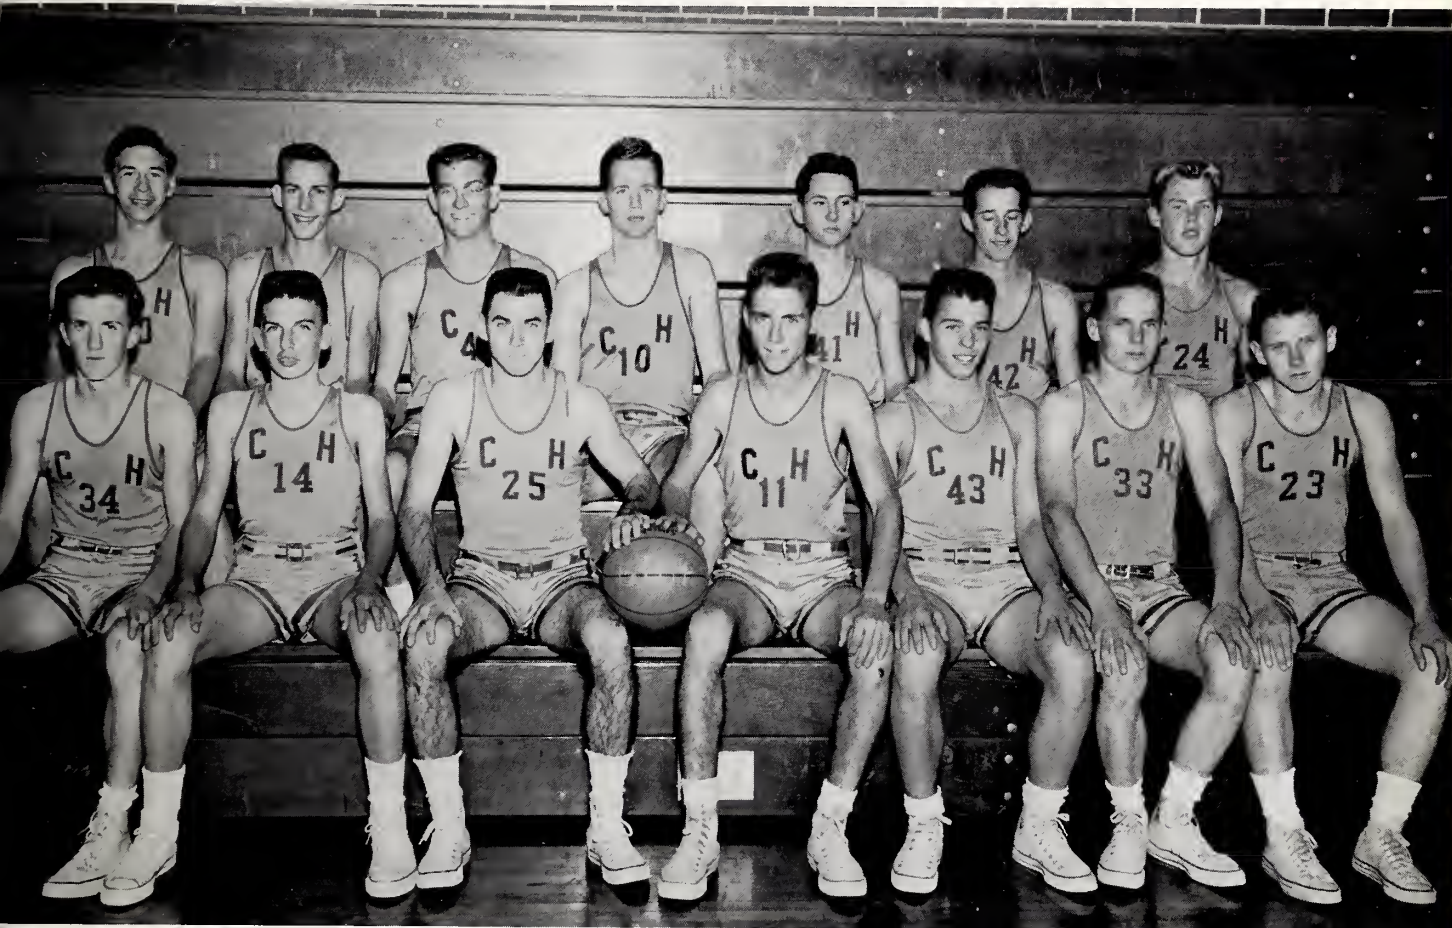

Did she or didn't she?

Girls, let's get that rebound!

## *Boys' Basketball*

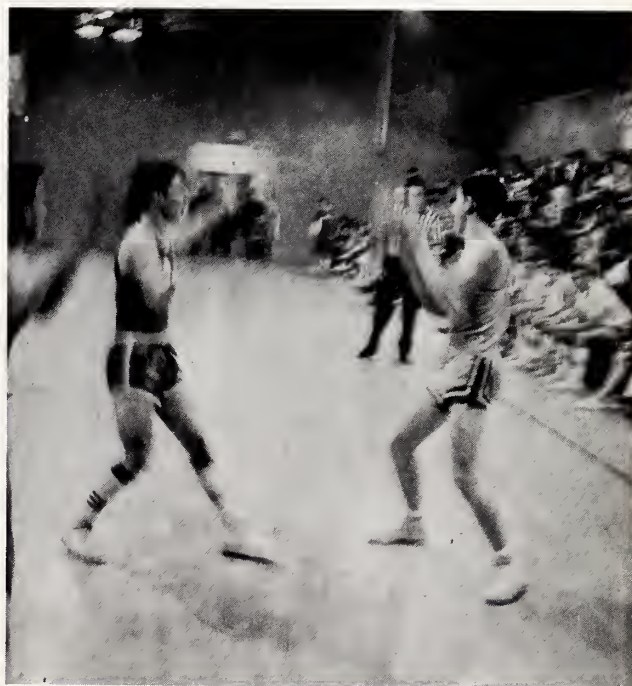

We may not be the best, but we will give it a try.

Guess I need to be a little taller.

Is this a new kind of dance?

## Boys' Basketball

Although luck hasn't always been on their side, these boys, coached by Mr. Fulghum and managed by Freddie Batten, have strived to do their best.

Watch that line!

Slap it this way!

## Baseball

Coach Fulghum gives some last minute "pointers," as the team prepares for a game.

On the bench, tension builds as a Corinth batter receives a full-count pitch.

## Cheerleaders

Here we see some of the most devoted girls in high school who give, unselfishly, much of their time and energy to cheer our basketball teams with unebbing loyalty in times of defeat as well as in times of victory.

As these girls cheered for our teams on the night of our Homecoming, they kept everyone in the best of spirits right up until the climax of the boys' game.

And here are our perky cheerleaders (from left to right): Carol Hinton, Rose Narron, Katie Sue Carroll, Barbara Ann Hales (chief), Jane Vann, Connie Wall, Linda Upchurch, Linda Turner, and Elaine Turner (not shown).
